

# The Heron House at Bell Haven

A Tranquil Lakefront Vacation Home in a Classic Resort Setting.

## On Soda Bay at Clear Lake, 2 Hours from San Francisco

The old "main house" at Bell Haven Resort, the lakefront Heron House exudes charm from its wood paneled walls and vaulted ceilings to the massive stone fireplace in the living room, and boasts lake views from almost every room.

## A Timeless Family Retreat You Can Come Back to, Again and Again

About 5 minutes from Konocti Harbor Resort by car or boat, Heron House is the lakefront retreat that families are drawn to, returning year after year to enjoy its charm. Enjoy waking up to the sun on the lake, and overlooking the expansive lawn that starts at the foot of the deck and runs into the water. From the deck at Heron House, you can watch the kids play on the lawn, swim or ski. And of course, there's plenty of room to dock your boat.

## Comfortably Sleeps up to Ten

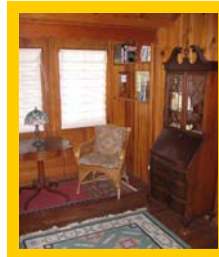

With room for the whole family, Heron House can comfortably sleep 10 adults and children, while still

being spacious enough to provide quiet space to read or enjoy a

glass of wine. The master bedroom and bath overlook the lake, as does the guest bedroom with access to the deck through French doors.

There is a small child's room with twin bunk beds off the hall, and the enclosed sun porch boasts two double

sleeper/couch beds. With forced air heat for the cooler months, it's as much fun to stay at Heron House in a rainstorm as it is in the summer.
